### **Chapter 38. Examination of Funds**

#### **IC 12-15-38-1**

##### **Restrictions on examination of availability of Medicaid funds for ineligible individuals**

Sec. 1. (a) The state department of health, with guidance and input from the office, shall examine and study the availability of funds that require a waiver and funds that do not require a waiver from the United States Secretary of Health and Human Services that may be:

- (1) used to fund a demonstration project to provide health care to individuals who do not qualify for coverage under IC 12-15-2 on July 1, 1995; and
- (2) eligible for federal financial participation, other matching funds from the federal government, or grants from the federal government.

(b) The examination of funds under this section is restricted to funding sources not used in the Medicaid program on June 30, 1995, and may not include funds authorized for planning and starting nonprofit community based primary health care centers.

##### **Use of Medicaid funds for development of health care plan and delivery system**

Sec. 2. If the state department of health, with guidance and input from the office, identifies funds under section 1 of this chapter, the state department of health may develop a health care plan and delivery system that uses the funds under the Medicaid program to provide health insurance for individuals who would not qualify for coverage under IC 12-15-2. The plan may include providing insurance through the private health insurance system.
